Dr. Phillip Summers begins his third year as president of Vincennes University.

Dr. Summers gives the instructions to contestants at the Almost Anything Goes Games.

President Summers addresses the audience at the Homecoming convocation.

Dr. Summers jokes with Pearl Bailey during the spring convocation.

A MESSAGE FROM THE PRESIDENT

The 1982-83 academic year was one of great accomplishments. The University enrolled the largest number of students in its history and also set a new record for the number of graduates. Along with the growth in student enrollment, there was similar growth of the campus.

Davis Hall was opened during the fall semester. The dedication ceremony was held on October 17, 1982 in the TV studio. The two-story 60,000 square foot building includes classrooms, laboratories and offices for the Social Science Division and Public Service Division. Also, the University's Public Broadcasting television station (WVUT), and Public Broadcast radio station, (WVUB), are located in Davis Hall.

Students also saw the opening of the new, centralized dining facility. Tecumseh Dining

Center has four dining rooms, with four serving lines, and can accommodate 500 students at one time. At the beginning of the year, the residence hall students were temporarily fed in the Student Union and Green Auditorium. Tecumseh Dining Center was opened in October and was dedicated at Homecoming on November 20, 1982. In addition, Tecumseh Park (adjoining Tecumseh Dining Center) was constructed through funding from the Indiana Office of Occupational Development and provides brick-paved walkways, brick benches and landscaping to help beautify that section of the campus.

The University is very proud of the many achievements of students, organizations and faculty. One of the many successes in

1982-83 was the V.U. Men's Bowling Team winning both the NJCAA (National Junior College Athletic Association) and the NCBA (National Collegiate Bowling Association) bowling championships. V.U.'s champion bowlers were the #1 Bowling team in the nation.

The 1982-83 academic year will be remembered for many achievements and successes, but the greatest memories will be of the friendships and accomplishments of students. This *Yearbook* chronicles the activities of the year and captures the spirit of the V.U. campus. May all of those whose lives have been touched by V.U. remember their alma mater and continue to fulfill the University's motto, "Learn in order to serve."

President Summers, Brenda Thompson, and Dr. Schmeling serve ice cream to students at the annual ice cream social following fall registration.

Living . . .

There are many scenes at V.U. we see each day that we will remember forever. Throughout the year many changes have occurred on campus. These new sights include Davis Hall and the Tecumseh Dining Center.

Many sights never seem to change though: the relaxing view of the Wabash River, the heavenly sight of the water tower, and those creative works of art outside the Humanities building.

The time to live is now — here at V.U. It is quickly changing, expanding, and growing more beautiful with the changing of time.

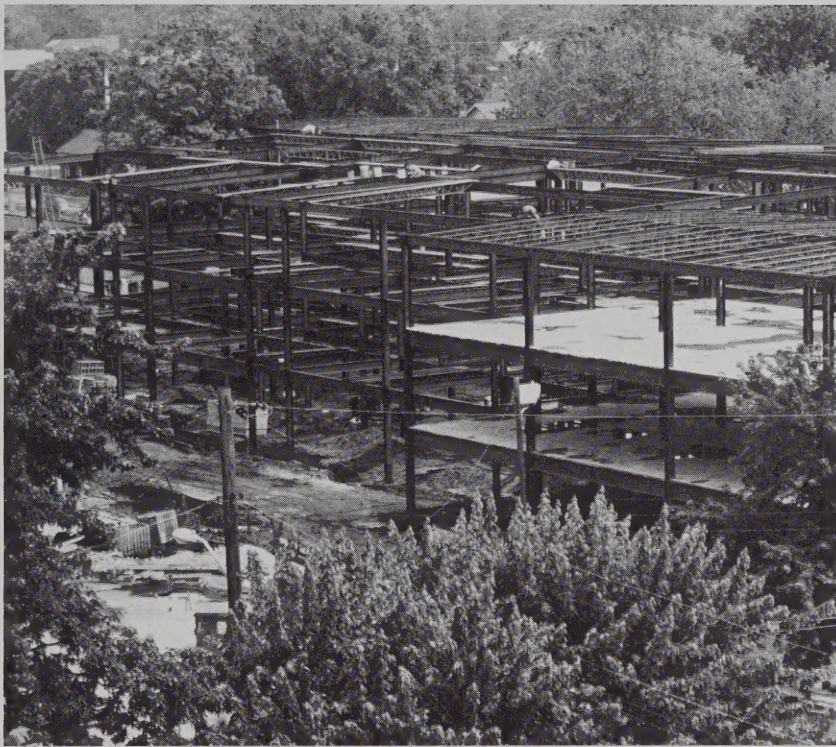

V.U.'s newest classroom building is Davis Hall. It houses the facilities for the Public Service division and the Social Science division.

The water tower is a familiar sight to the students on campus.

The annual Tube Race takes place on the Wabash River.

TIFUL

The fifth residence hall is under construction. The completion date is July 1983.

The Art department holds classes in the Humanities building. Throughout the year works of art are displayed on the grounds surrounding the building.

Tecumseh Dining Hall opened in October. Meals are provided for the 2,000 residence hall students there.

CAMPUS

Growing . . .

Many students found themselves making friends from different parts of the state and country. Students could meet informally or through school sponsored activities. Many events were scheduled throughout the year. Some of the annual events were the tube race, Dad's Weedend, Homecoming, Winter Formal, Casino Royale Night, Mom's Weekend, Miss V.U. Pageant, and the Littlest 500. Growing with our friends through activities made our friendships all the more valuable.

Contestants are interviewed by Doug Grostefon, master of ceremonies, during the Miss V.U. Pageant.

Students try to catch the first rays of summer on the banks of the Wabash River.

A member of the Harrison Hall bike team expresses his happiness after their victory in the Littlest 500 bike race.

CRAZE!

Residents of Clark Hall perform their skit during the spring variety show.

A couple relaxes and enjoys the sunshine between classes.

Students play a friendly game of Monopoly during their spare time.

TERRIFIC

Being . . .

A sense of belonging was created through the many organizations at V.U. No matter what your interest, there was a club for you. These organizations covered interests in politics, music, writing, dance, and many of the academic fields.

A few of the many clubs on campus included: fraternities, sororities, choir, band, the Trailblazer, Blazerettes, Student Senate, hall councils, Flying Blazers, auto mechanics, and international students. Each of these clubs offered many interesting and fun-filled hours for those involved in them.

The high-kicking Blazerettes is a traditional organization at V.U. where teamwork makes them a top attraction.

The musicians of the V.U. Soundsation depend upon synchronization of sound to get their musical message across.

Teamwork is needed for individuals in organizations to win during the many events on "Almost Anything Goes" Day. Here a couple practices for the three legged race.

TEAMWORK

The organizations also offered many students an opportunity to get involved. Involvement has always played a key role in each college student's life. The time spent in these clubs remains in each of our lives as memories of campus life are reviewed. The organizations at V.U. have always allowed students to be themselves and still be part of something important.

Alpha Eta Rho, honorary flight fraternity, put it all together to take a trophy in the Homecoming Parade.

Many organizations are represented in the annual Littlest 500 bicycle race. Teamwork is stressed, as anyone can plainly see!

OEA is just one of the many organizations on campus where students learn valuable leadership and "people" skills.

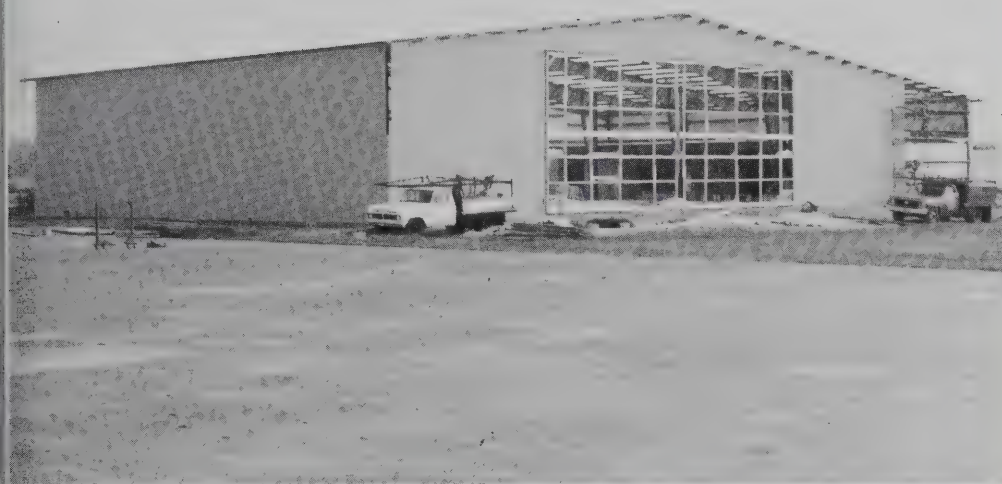

CAMPUS

One of the strangest sights on campus this year was the moving of the Sigma Phi Epsilon fraternity house. Students and faculty alike gathered to watch as the house moved down Second Street and onto Tecumseh Street.

Construction continues on the fifth residence hall. Vigo Hall is scheduled to open for the fall semester of the 1983-84 school year. It will house approximately 400 students.

CONSTRUCTION

A new hanger was built at O'Neal Airport replacing the one destroyed in a fire in February, 1983.

Workers toil feverishly to complete the walk ways in Tecumseh Park.

The finished product — Tecumseh Dining Hall opened in October. The dining hall and adjacent park were dedicated during Homecoming weekend.

The house containing offices for the Social Science Division was torn down. The Social Science Division now occupies the third floor of Davis Hall.

The area beside the Humanities building received a face lift after the house was demolished and mobile classrooms were removed.

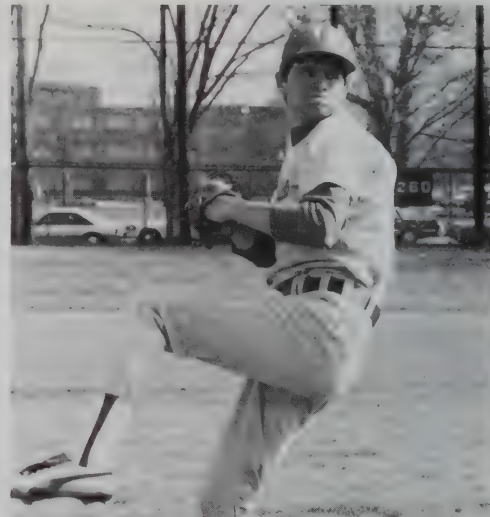

BLAZER'S

Coach Miley's bowlers show off their national championship trophy and awards.

The crowd shows BLAZER SPIRIT during a basketball game.

V.U. cross country runners stay close to the leaders during a meet on campus.

Concentration is etched on the face of a V.U. pitcher during the wind up.

BEST!!

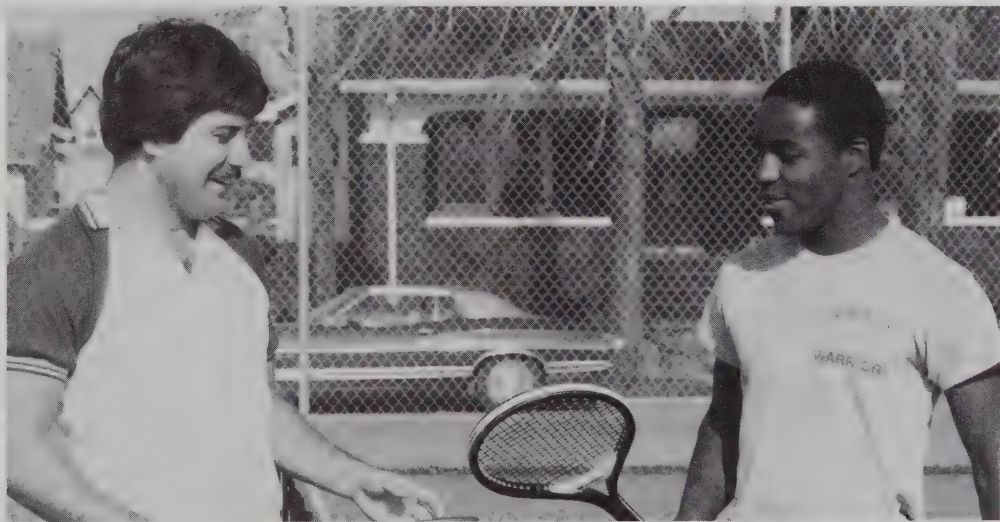

Cliff Morgan lays it up for two points even though he is surrounded by Lindsey Wilson defenders.

A Ladyblazer avoids a block as she goes toward the basket.

Bernard Campbell shoots for two on his way to a new one season scoring record.

John Whitehead receives some advice from tennis coach, Ron Albers.

YEAR IN REVIEW

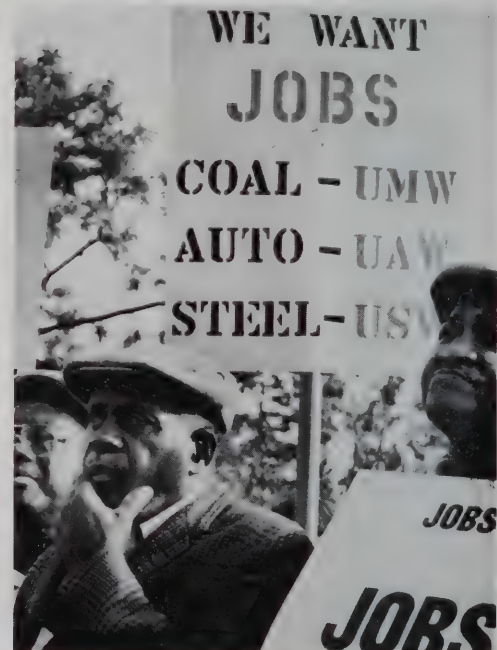

It is easy to be so involved in studies and campus activities that one forgets what is happening in the "outside world." To place the 1982-83 school year in perspective, the staff has utilized photographs depicting news events from the files of Wide World Photos, Inc.

The first reusable space vehicle, Columbia is shown as it makes the final landing approach at Edwards Air Force Base. Columbia's return to earth was as smooth as any commercial airliner.

Scott Thompson of Johnstown, Pa. looks over his experiment — a study of convective liquid flows driven by surface tension — that was carried aboard the fifth flight of the Columbia Space Shuttle.

Employees of the Chicago Health Department test Tylenol medications for deadly cyanide that killed seven area persons who took the capsules.

While the stock market is booming indicating possible recovery (the New York Stock Exchange reported the Dow Jones Average reached a high of 1,065.59 on November 3, 1982) demonstrators picketed in Lafayette Park across from the White House to protest high unemployment. Was the economy recovering? It depended upon who you were asking.

PERSONALITIES IN THE NEWS

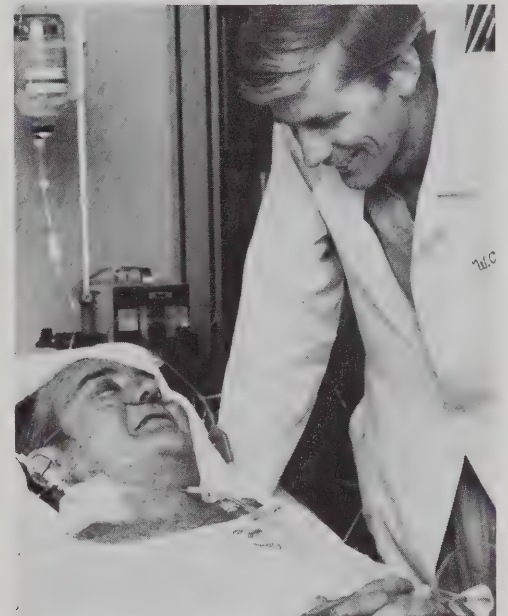

Drew Barrymore and "Friend" starred in the smash motion picture of 1982.

Prince William was nearly two months old by the time school began. Lady Di and Prince Charles seem to be adjusting well to parenthood.

Artificial heart recipient Barney Clark, 61, smiles at his surgeon, Dr. William DeVries, one day after the historic surgery.

Lech Walesa with wife, Danuta, addresses the crowd outside his home in Gdansk, Poland, shortly after the Solidarity labor movement leader was freed from government ordered confinement.

Sally Ride and Guion Bluford are astronauts who will make history. Ride was chosen to be the first American woman to go into space. Bluford was selected to become the first American black man to go on a space shuttle flight.

TRoubLED TIMES

Some of the 800 U.S. Marines leave a landing craft as they take up their peace-keeping duties in the war-ravaged port of Beirut, Lebanon.

70 Israeli military were killed when their headquarters at Tyre, Lebanon was leveled by an explosion.

Argentinian soldiers captured at Goose Green in East Falkland are guarded by a Royal Marine shortly after their surrender ended the conflict between Great Britain and Argentina.

An American flag and a U.S. Marine stand in the foreground as rescue workers sort through the ruins of the American Embassy in Beirut. The blast caused by a terrorist bomb killed many.

SPORTS

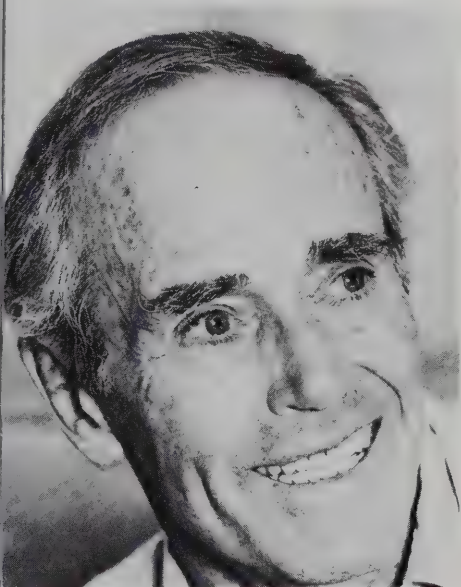

Pro football fans, frustrated by the loss of their Sunday and Monday night pastime, picket in front of Players Union President Gene Upshaw's home.

"Boom-Boom" Mancini lowered the boom on Korean boxer Duk Koo Kim in a lightweight title fight. Kim never regained consciousness.

The St. Louis Cardinals celebrate their victory over the Milwaukee Brewers in the seventh and deciding game of the 1982 World Series.

CHEERLEADERS

The cheerleaders practice a stand for the basketball game.

The spring variety show included a dance routine by the cheerleading squad.

1982-1983 cheerleaders are Kristine Tolbert, Lori O'Hair, Melanie Messmore, Angie Eck and Nancy Alsman.

BLAZERETTES

The Blazerettes dance team performs at many of the home basketball games. The group also does a routine in the annual campus variety shows. This year the Blazerettes entertained the audience during the Miss Vincennes University pageant. Captain of the Blazerettes for the 1982-83 school year is Terri Christie.

Team members are Front Row: Julie Cannon, Sara Gregory, Lisa Boyd, Mandy Schroeder and Lori Vinson. Second Row: Denise Thurman, Geri Bolinger, Trisha Wagoner, Tina Self and Annette Ohman. Third Row: Cecelia Wallace, Robin Justice, Valerie Morris, Teresa Rea and Terri Christie.

SOUNDSATION

V.U.'s jazz band, Soundsation, prepares to go on tour. The group performs concerts at several high schools each spring. This year's tour included stops at Barr-Reeve Shoals, Mitchell, North Decatur, Greensburg, Jac-Cen-Del, Jennings County and Milan High School.

ROARING 20'S

The Roaring 20's show choir performs many times during the school year. The choir is one of the most popular acts in the variety shows during Mom's and Dad's Weekends. A concert is planned annually to showcase the group's talents. High school counselors always enjoy the Roaring 20's performance during the luncheon on Counselor's Day.

ALPHA THETA CHI

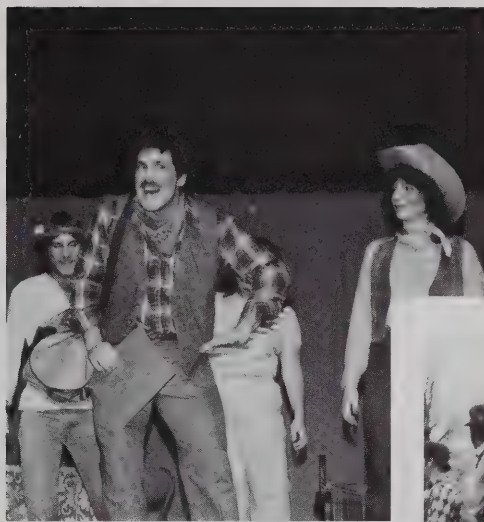

Alpha Theta Chi, social sorority, founded in 1950 on the Vincennes University campus, endeavors to express a spirit of sisterhood among women students, encourages campus leadership and promotes service to the community. The sisters of Alpha Theta Chi consistently give award winning performances in the Fall and Spring All-Campus variety shows.

ACHIEVERS

ACTIVITIES

Registration Ruckus

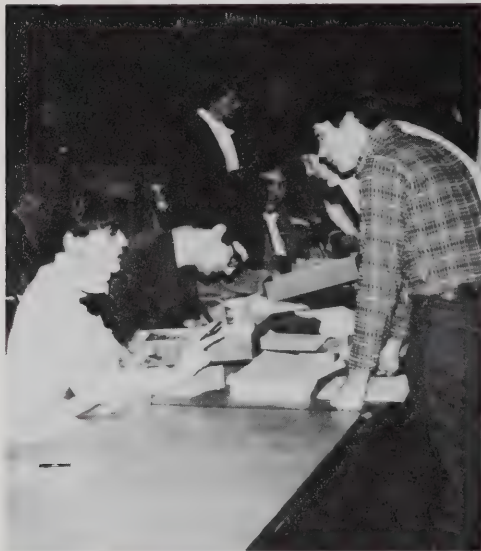

August and January were times for Registration. While the administration tried to make registration as painless as possible for everyone, there was plenty of things we would rather do than imitate a mouse in a maze!

"Anyone not wanting to take ECON 100 at 8:00 a.m. MWF must beat Professor McCraney in arm wrestling."

"Is this where I sign up for ABACUS 101?"

Some classes proved to be well worth the wait, while others . . .

"That will be \$520 and one pint of blood."

Convo

The popularity of advice columns has increased, it seems, as the personal problems of our Nation's people have increased. Riding the crest of that popularity is the Dean of Advice Columnists, Ann Landers. V.U. was privileged to host Miss Landers in a convocation (and the first Community Series presentation of the 1982-83 year) on September 9, 1982. Her down-to-earth advice was received well by young and old alike.

Miss Landers gives straight talk advice but admits that she hasn't always been 100% correct.

It is obvious that she has fans of all ages.

Miss Landers makes a point during her presentation.

Splish Splash!

The rules are quite simple. Students representing various organizations, divisions, dorms, etc. lash a group of inner tubes together and paddle down the Wabash. While not everyone could be winners; everyone, spectators and participants, had a good time.

Worthy of note was the 33rd place finisher, Rainbow Gang, who won the Best Decorated Trophy.

Sheer determination was etched on the faces of many of the participants.

"Altogether now, dip your oars into the water at the same time, team."

Soggy, but smiling.

Tube Race

Results of the Tube Race held September 11, 1982 are as follows:

PLACE	TEAM	TIME
1st	Electro-Tek	21:50
2nd	Logga Chaina Alpha	23:06
3rd	Morris Hall	24:36
4th	Lambda Chi Alpha #1	24:47
5th	Jersey Hollywoods	25:35
6th	Second Street Sailors	25:59
7th	FAST (Faculty and Staff)	26:25
8th	Commandoes	27:17
9th	Sigma Phi Epsilon #1	27:31
10th	Delta House II	27:37

Third place Morris Hall, smiles all.

Now I know what being a galley slave felt like.

Run silent, run deep.

Women and children first!

WHAT GOES? ALMOST ANYTHING

Sigma Nu starts out with an early lead in the relay race.

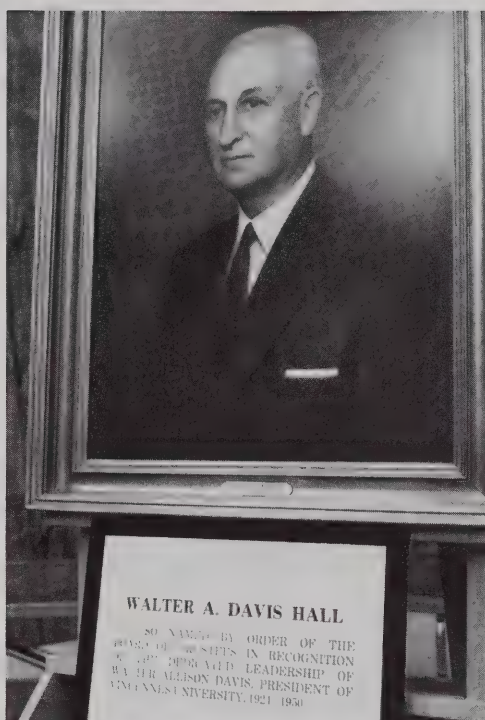

Members of the V.U.'s Greek organizations gather to support their teams in the games.

The string contest takes patience and concentration.

This team has almost finished the job as the last two members struggle with the string.

These students enjoy watching the festivities.

DAVIS HALL DEDICATION

President Summers addresses the crowd gathered in the new television studio.

The picture of former president Walter A. Davis will hang in the foyer of the building.

Miss V.U. Kathy Jorgensen prepares to sing the alma mater during the dedication ceremony.

A senior broadcasting student gains on-the-air experience in the new studio of WVUB radio.

Davis Hall, dedicated on October 17th, is the home of the public service and social science divisions.

The new facilities for the floriculture program provide a pleasant atmosphere to practice floral arranging.

DAD'S WEEKEND

The Dad's Weekend concert featured the Association, a popular group of the late sixties.

Morris Hall takes third place in the variety show with their version of "Hee Haw."

Two members of the Association entertain the crowd by singing "Windy," their #1 hit of the summer of 1968.

The "Super Heroes" of Sigma Phi Epsilon win the second place trophy with their skit in the variety show.

Kathy Jorgensen, Miss V.U., wows the crowd with her rendition of "Honeysuckle Rose."

VARIETY SHOW

Clark Hall captures first place with "Daddy's Little Boys and Girls."

J. R. Ballard puts much emotion into his singing.

Members of the various groups get together for the grand finale.

HOMECOMING

Bachelor of the Year, Tony Lechner and Homecoming Queen, Kelly Daniels appear before the fans at the basketball game.

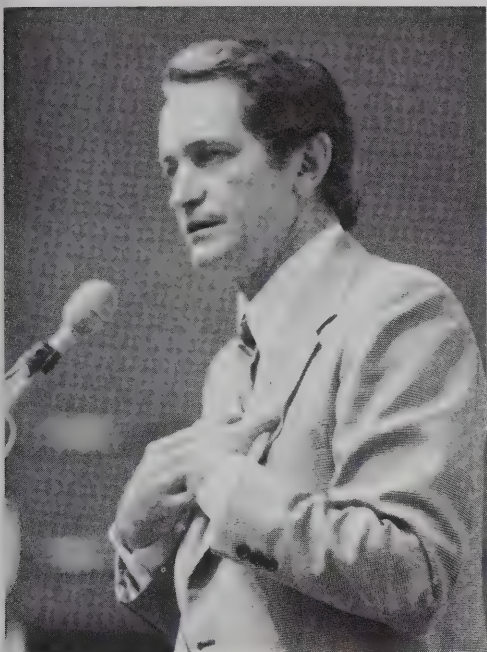

Kelly is overjoyed at being crowned Homecoming Queen.

Ida McCree and Doug Oldham wait their turn to walk onto the basketball court.

The Queen and her court are Aimee Crawl, Angie Mize, Ida McCree, Kelly Daniels and Patty Gardner. Jack Cardinal, Chuck Duke, Charles Hutchinson, Tony Lechner and Doug Oldham competed for Bachelor of the Year.

FESTIVITIES

Al McGuire, a former basketball coach at Marquette University, speaks during the Homecoming convocation.

McGuire tells the crowd a humorous story.

The honorary flight fraternity of Alpha Eta Rho won the trophy for "Best Theme" with their high flying float.

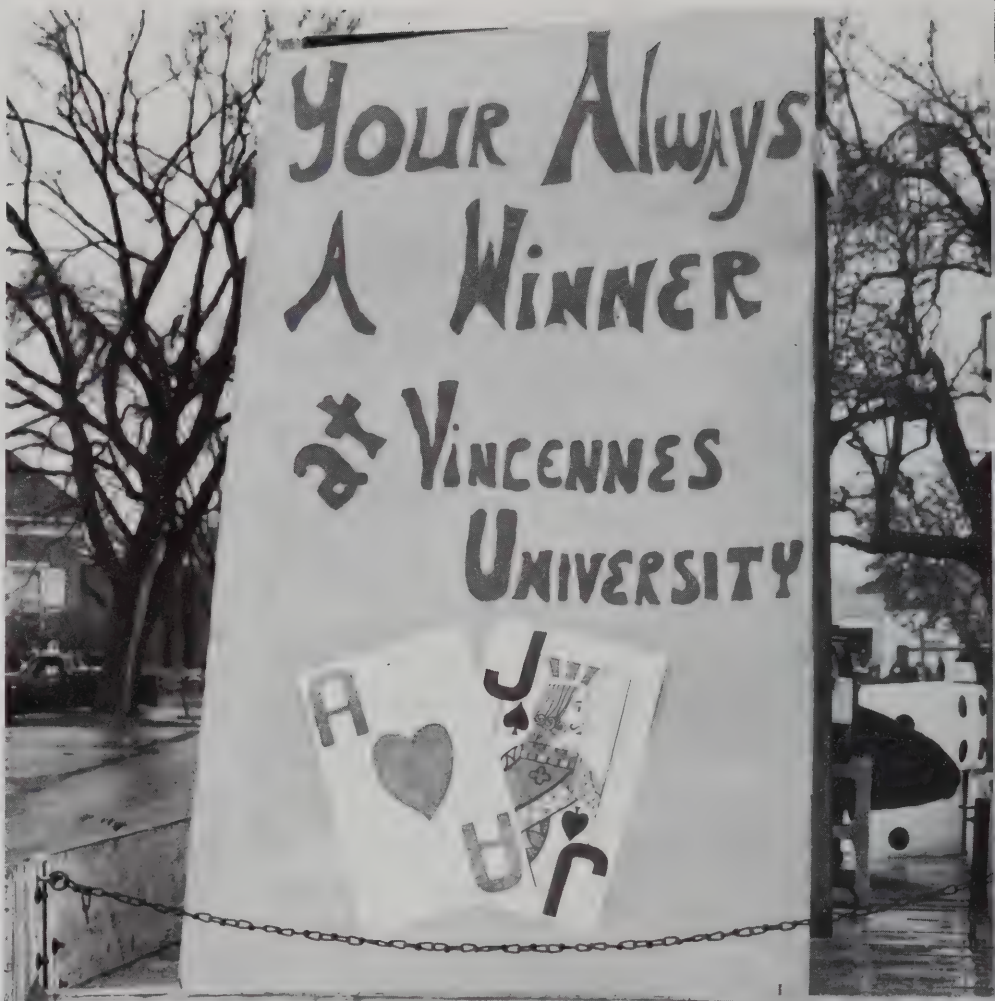

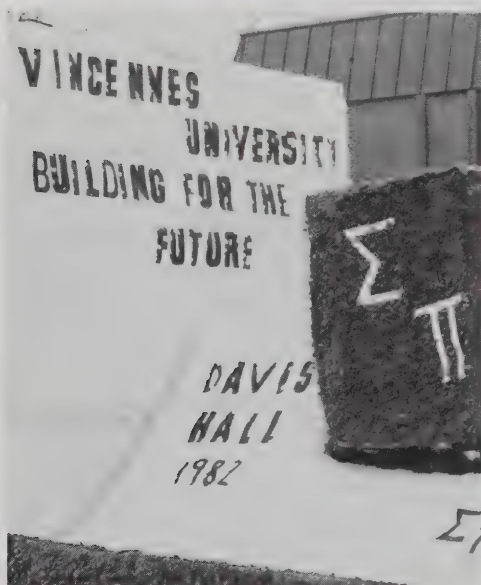

BACK HOME AGAIN

This float expresses the optimistic outlook at Vincennes University.

Clark Hall shows an example of dorm life from a neighboring planet.

The award for best controlled animation goes to the entry from Sigma Pi.

The Food Service Club walks away with the President's Trophy. The float depicts future program options within the food service department.

DINING HALL DEDICATION

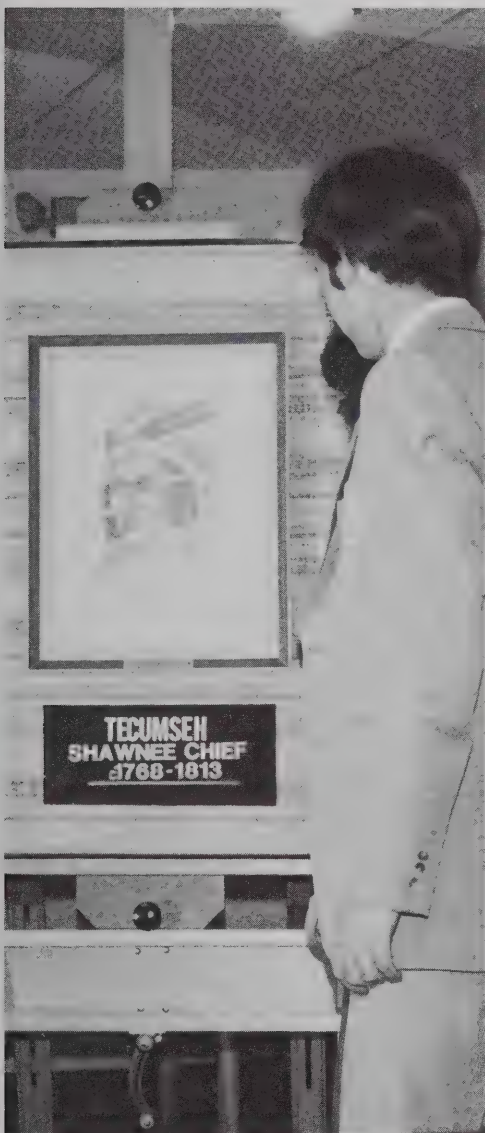

President Summers speaks at the dedication of Tecumseh Dining Hall.

The portrait of Chief Tecumseh is unveiled during the ceremony.

Students enjoy the spacious surroundings of the new cafeteria.

The modern look of Tecumseh Dining Hall adds beauty to the campus.

The cast of "The Musicians of Bremen" entertain some of the patrons at McDonald's. Every year the students in the Children's Play take their performance off-campus for an afternoon of fun. Young and old customers alike enjoy this special event.

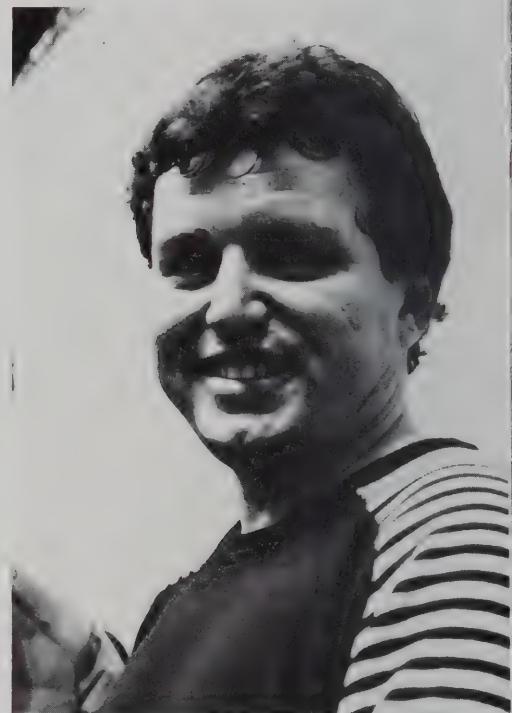

COMMUNITY

Jerry Mathers, childhood star of the television series, "Leave it to Beaver," appears before a full house in the Physical Education Complex.

Mathers is a familiar face to young and old since the series is still shown on many television stations.

"Beaver" smiles and keeps an optimistic outlook even though the airline lost his luggage enroute to Vincennes.

It is obvious that Jerry Mathers is still a popular figure as students line up to get his autograph.

SERIES

Community leader George Lane welcomes Pearl Bailey to Vincennes University.

Students surround Pearl Bailey after her inspiring speech.

Pearl Bailey speaks of faith and determination.

MOM'S WEEKEND

Twenty-five acts took part in the Spring All-Campus Variety Show during Mom's Weekend. Clark Hall won first place with their portrayal of life at the day care center . . . "Here comes my Mom!"

"Oliver's Travels" earned Sigma Pi fourth place honors.

Oliver is off to Camp Wabash.

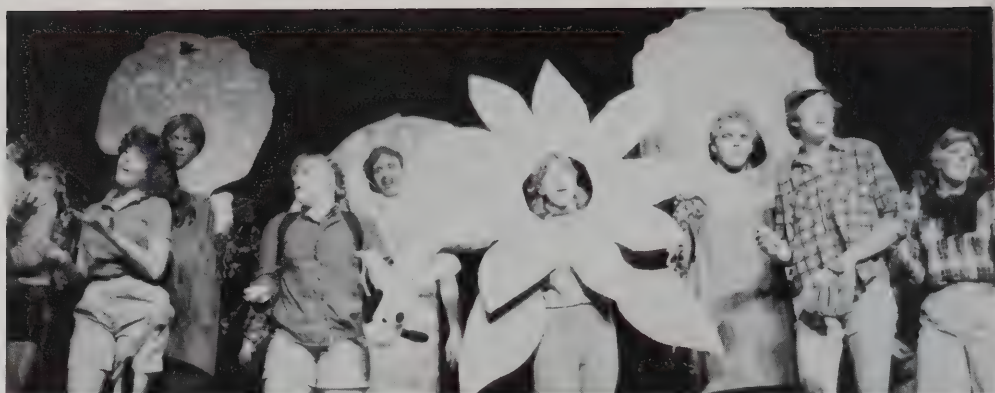

One of the many talented soloist acts belts out a song.

Lambda Chi Alpha took second place with their excursion into the "Twilight Zone."

Emison Hall shrinks to pint size during the variety show.

Sigma Phi Epsilon travels to the "South Pacific" in their third place skit.

MISS V.U. PAGEANT

Beth Whitesell begins her reign as Miss Vincennes University.

The ten contestants are pictured during the evening gown competition. The coeds vying for the title of Miss V.U. are L. to R.: Susan Eckerty, Darla Gifford, Paula Blank, Michelle Bombe, Beth Whitesell, Kelly Daniels, Dawna Cumbee, Pamela Painter, Mary Shaw and Jennifer Jackson.

Third runner-up Mary Gray proceeds down the runway in the bathing suit phase of the pageant.

The five finalists anxiously await the judges' decision.

The Whitesell family gathers together for a celebration after the pageant.

Kelly Daniels sings her heart out on the way to becoming first runner-up.

Dawna Cumbee, second runner-up dazzles the crowd during the talent competition.

PEDAL PUSHERS

Harrison Hall captured their third victory in a row in the Littlest 500 bike race. The winning time was 1:36.24. Second place went to Morris Hall with a time of 1:38.10. Lambda Chi Alpha rode to a third place finish in a time of 1:40.10.

Members of the Harrison Hall team are seniors: Mike Easley, Mark Herbertz, Dwayne Rinehart, Brett Sanders; freshmen: Greg Costelow, Steve Kettler, Richard Morrison, Joe Rackow, Mark Selvio and Ted Sewall.

MOM CARTER DAY

April 5th was the first annual Mom Carter Day. It was in honor of Mom Carter who has taken care of the roses on campus for many years. The day was set aside to clean up the campus to show our appreciation of her efforts.

Mom Carter shakes the hand of one of the student workers.

SPORTSMANSHIP

ATHLETICS

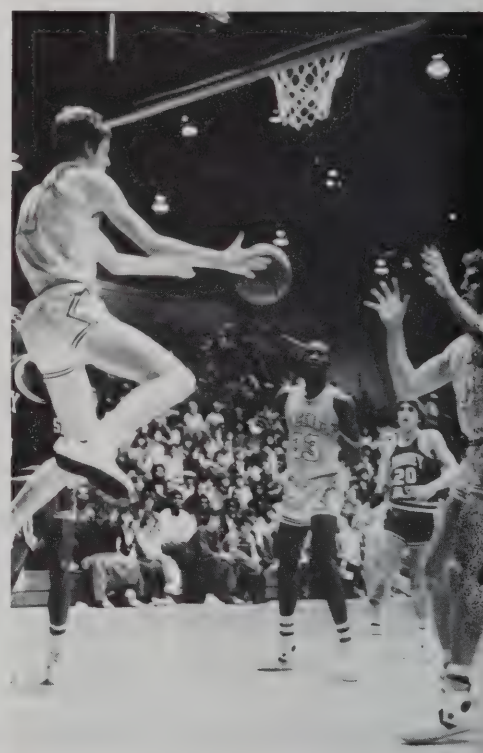

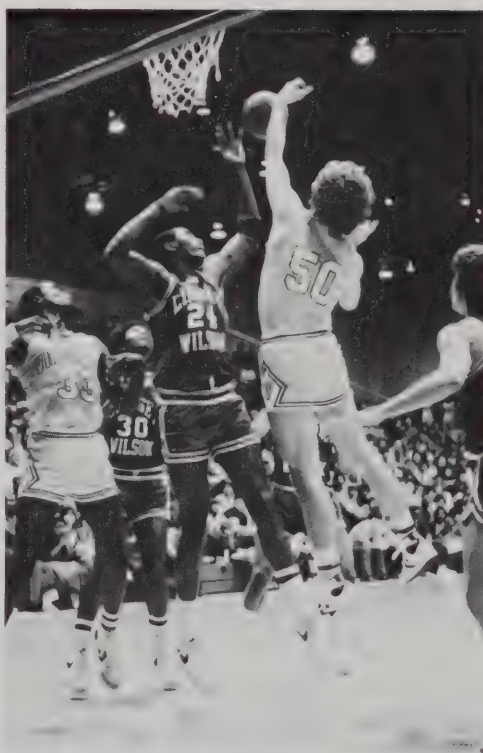

MEN'S BASKETBALL

Hoosier Hysteria is one way to describe the 1982-83 edition of Trailblazer basketball. After two early season losses on the road, one by one point to Alleghany College and one by two points to Wabash Valley College, the 'Blazers ran off a streak of victories including record setting wins at home to finish the regular season at 28 and 2. VU took the Southern District, Region 12 NJCAA Tournament with wins over Lakeland CC, Cincinnati Tech and Sinclair CC. They clinched the Region 12 title with two wins over Henry Ford CC (Best of 3) and then scored a first round victory in the NJCAA Tournament by defeating Kankakee CC at home. At Hutchinson, Kansas, the Trailblazers were defeated by Walker (Ala.) JC in the second round, thereby falling into the consolation tournament. Their next opponent was an old nemesis — Wabash Valley College. The 'Blazers had won the season series two to one with their Mt. Carmel, Illinois rival. Both teams had opportunities to put the game away in regulation, but played an overtime period. When the smoke cleared, VU was sidelined with an outstanding 34 and 4 season record. Courtney Witte, who announced that he would be attending Indiana University next year — the first junior college player ever recruited by Coach Bob Knight of IU — was selected to the NJCAA All-American First Team. Bernard Campbell, who set a one year individual scoring record for VU men's basketball, was selected as Honorable Mention.

Tall trees Courtney Witte (50) and Dwayne Randall (31) maneuver behind the defense looking for a pass.

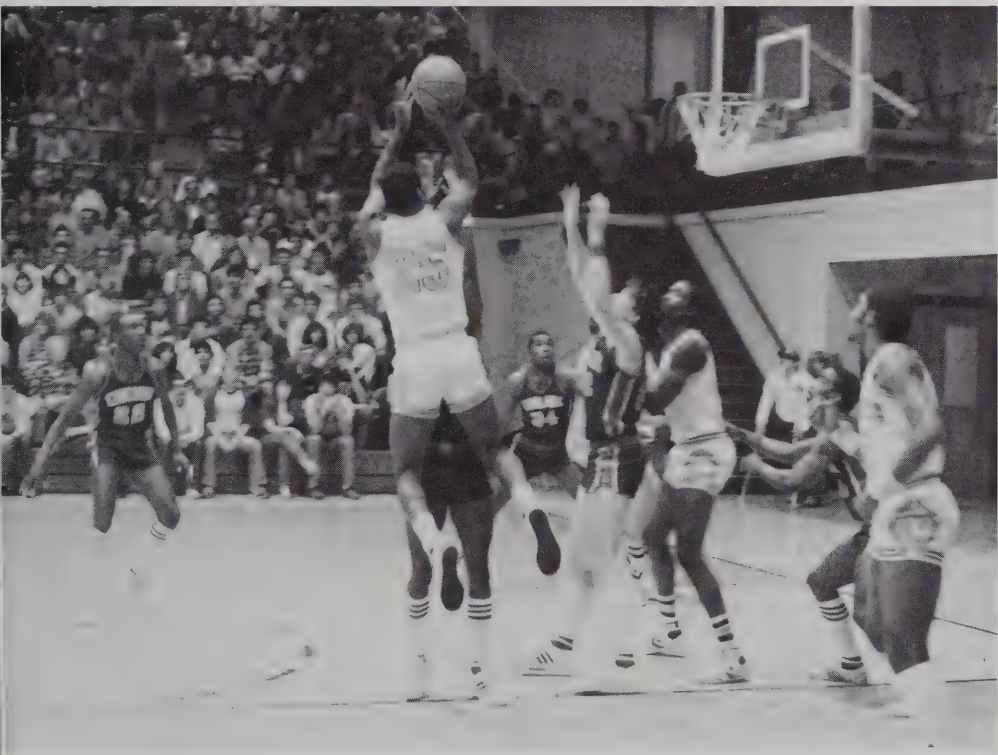

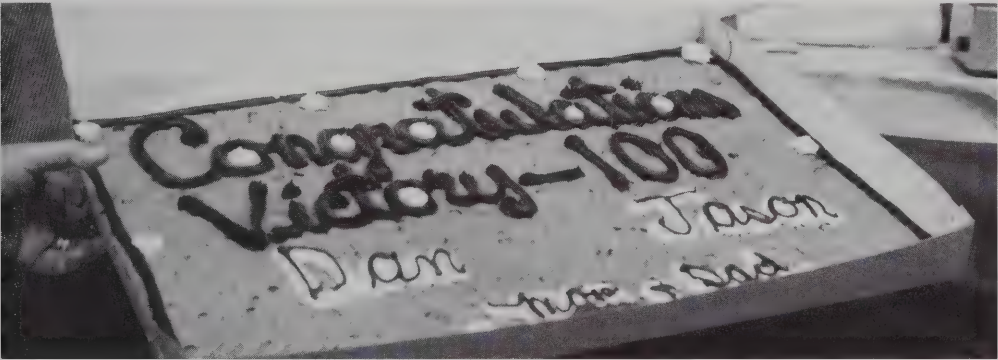

The action under the boards was terrific all year long.

Scott Wood (behind the basket) feeds the ball to Witte while Cliff Morgan moves under the board.

WOMEN'S BASKETBALL

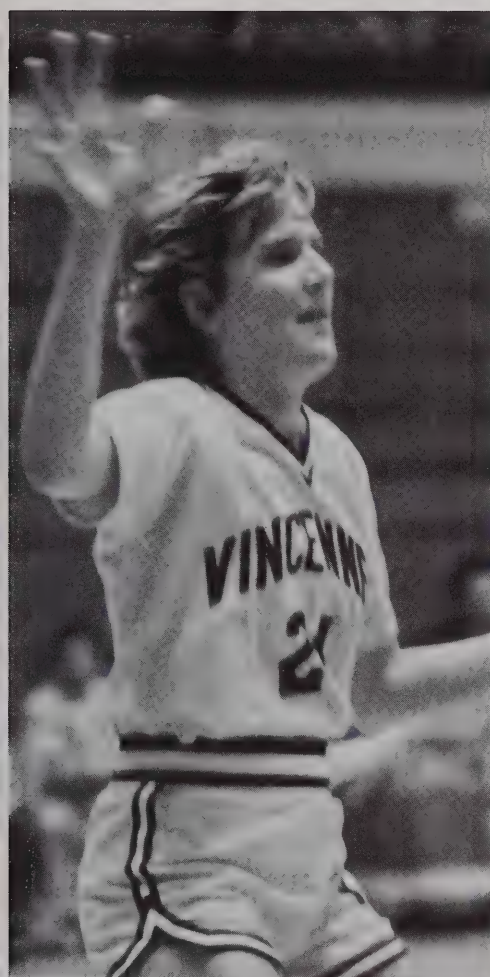

Lady Blazers 1982-83 Edition. Team members are Kneeling From Left: Tanya Wesson, Liz Lamar, Bertha (Necie) Moore, Karen McCormick, Bunita Fields. Standing: Manager Brenda Surbey, Denise Parrish, Rhonda Collins, Darla Ellis, Lori Barker, Sherri Jett, Jodi Moan, Cheryl Hazelwood, and Coach Wanda Schwartz.

The Lady Trailblazers capped a successful season under first year coach Wanda Schwartz, by winning the Southern District of NJCAA Region 12 Tournament, defeating Northwestern Business College, Shawnee State and Lakeland Community College on consecutive days. After edging Lake Michigan College in the first game of a best of three series for the Region 12 Championship, the Lady 'Blazers dropped the next two games to end their season at 17-13. Coach Schwartz was happy with the winning season and believed she had the returning players that could make 1983-84 even more successful.

The whole team "suited up" for the Lady 'Blazer's Annual Banquet.

Senior Denise Parish (23) goes up for a lay-up and a subsequent three-point play against Lindsey Wilson College as Wesson (24) takes position for a possible rebound.

Four-fifths of the team seem to be waiting for the ball to go in the hoop or for a rebound!

Coach Wanda Schwartz, former Lady Blazer, returned to coach her alma mater's team.

BOWLING

Women's Bowling. The Women's Bowling Team had a good year, defeating Purdue and ISU, placing 5th in the Hoosier Classic, 14th of 44 teams in the National Collegiate Team Match Play Tournament, and 6th in both the President's Classic and Sycamore Classic. Coach Carol Miley had hoped for a better finish than her team's 6th in the NJCAA Championships in Niagara Falls, New York, but . . . wait until next year!

Women's Bowling Team members and their hometowns are as follows: Front Row, Left to Right: Carl Cagle, Senior, Bedford; Coach Carol Miley; Joni Blackburn, senior, Greenwood. Standing: Jennifer Krebs, senior, Brazil; Cheryl Stayer, senior, Warsaw; Karen Thompson, senior, Olney, Illinois; Georgianna Gayle Cagle, freshman, Bedford; Dan Noble, freshman, Newport Richey, Florida; Diane Addison, freshman, Franklin Park, Illinois; and Beverly Ullrich, senior, Wauchula, Florida.

Men's Bowling. Coach James Miley, rapidly becoming a campus fixture at VU, led the Men's Bowling Team to new heights during the 1982-83 season. The final team win-loss record of 26-14 in no way reflects all of the team's accomplishments. NJCAA Champs, two All-American team members and the NCBC Championship brought many honors to VU. All of this and Coach Miley was named Coach of the Year in the JUCO.

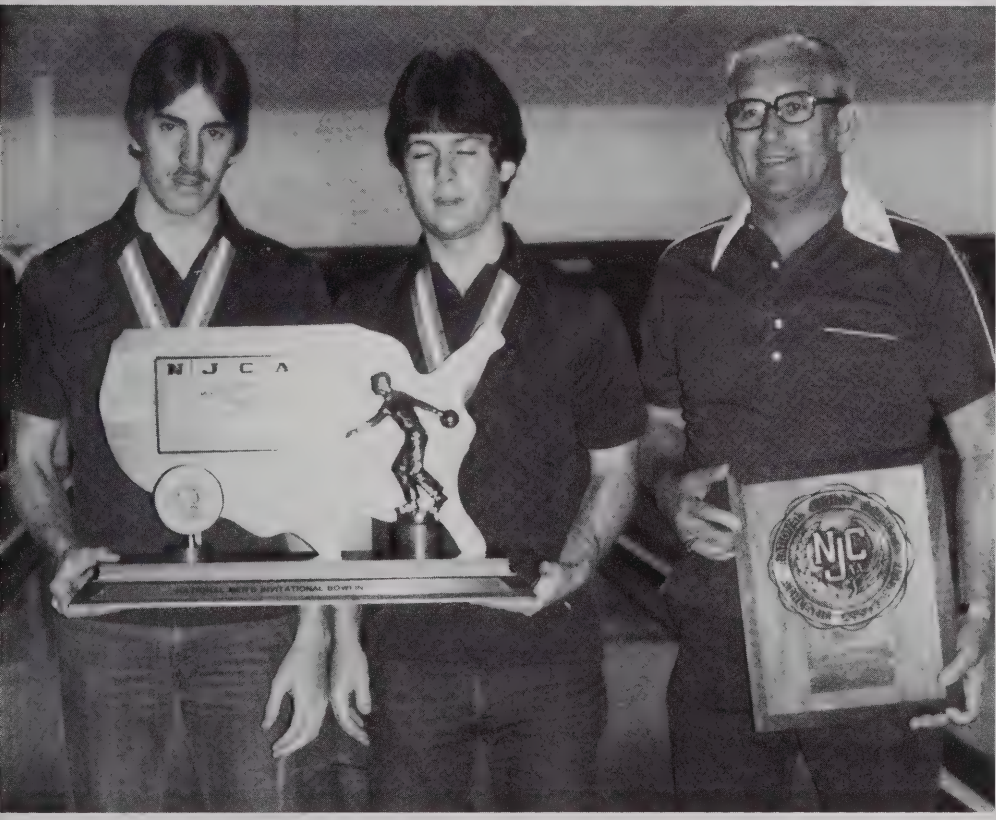

The all-senior (except one) are shown: Front Row, From Left: David Freeman, Oklahoma City; Coach James Miley; Emil "Cookie" Kuelling of Savannah, Georgia. Back Row: David Frye, Lowel, Indiana; Mark Wilhelm, Bowie, Maryland; Russell Murdock, Anderson; Robert Burnside, Dansville, New York; Timothy Taflinger, Hoopeton, Illinois; Doug Henry, Columbus; and William Payne, Comstock Park, Michigan. Michael Nysewander of Ozark, Alabama was not present for the picture. Wilhelm is the only Freshman.

NCBC CHAMPS!

What more could anyone ask of a team? Just go out and win the National College Bowling Conference Championships. The Men's Bowling Team of VU did just that. It happened in late May when most students had graduated or returned home. During the regular season, the team gave no real indication of what was to come. They bowled well, defeating Ball State and ISU twice, Purdue twice and finished 1st in the Hoosier Classic. They were 3rd in their own President's Classic and won the IU Invitational. In March, 1983, the team travelled to Niagara Falls, New York where they nailed down the NJCAA Championship. After winning the NCBC sectionals at Champaign, Illinois in April, the team found themselves doing extra duty May 5th through 7th at the Nationals in St. Louis, Missouri. VU became the first Junior College ever to win the NCBC Championship when they defeated Arizona State in the Championship match. Coach Jim Miley was named Coach of the Year and keglers Dave Frye and Cookie Kuelling were named to the NJCAA All-American Bowling Team.

Shown with their coveted NJCAA trophies are Seated From Left: Bill Payne, All-American Emil "Cookie" Kuelling, and Jack Kusick. Back Row, Kneeling: All-American Dave Frye, Doug Henry, Tim Taflinger and Coach Jim Miley.

All-Americans Dave Frye and Emil "Cookie" Kuelling hold the NJCAA Championship Trophy while Coach Miley displays his Coach of the Year award.

WOMEN'S VOLLEYBALL

Team members and their home towns are: Kneeling, Left to Right: Kristin Hash, Trafalgar; Krista Antic, New Castle; Jill Dedrick, Paoli; Linda Bousman, Selma; and Wanda Knepp, Montgomery. Standing: Coach Dee Doppler; Carol McCray, LaFountaine; Joyce Fleming, Bloomington; Mary Lipkovitch, Hammond; Tanya Collins, Washington; Susan Royce, LaFountaine; Karen Eagleson, Vincennes; Rhonda Collins, Knox; and manager Lori Grife, Goshen.

The Vincennes University Women's Volleyball Team for 1982 was made up of a few veteran players and plenty of talented freshmen. Second year Coach Dee Doppler guided them through a very tough schedule and the team emerged with a 13-17 record. Hopes are high that the 1983 team will improve on that record.

SWIMMING

The Women's Swimming Team capped a highly successful 24 win, 5 loss regular season with a 4th place finish in the National Junior College Athletic Association Championships held at Indian River Community College, Fort Pierce, Florida. Anne Niehaus, VU Senior, won her second consecutive national title in the 100 yard backstroke at the NJCAA Championships.

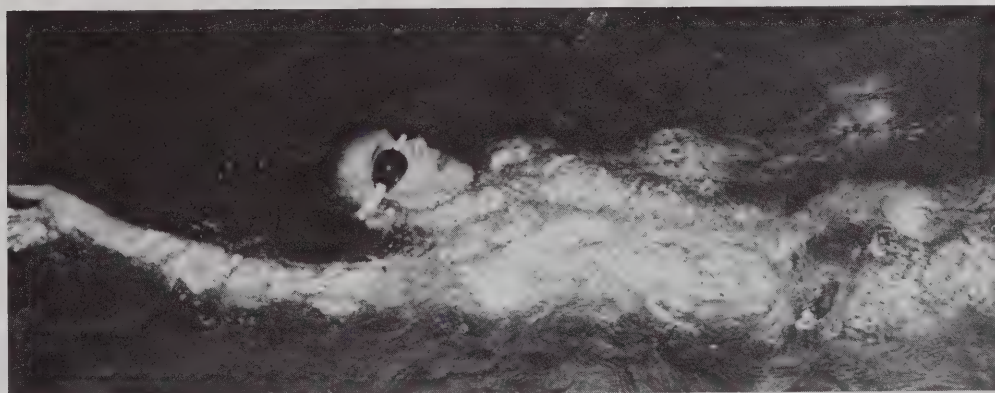

The Men's Swimming Team completed the regular season with an impressive 25-6 record and finished 4th in the NJCAA Championships at Indian River CC in Florida.

The men and women winners at the NJCAA Swimming Championships held in Florida pose with their plaques and trophies.

Angie Hunt was chosen NJCAA All-American.

Coach Harry Wichens gives advice.

Long, lonely hours of practice are required of those who will be successful.

TRACK

Men's Track

First year coach Bill Smith has taken on a huge assignment: make VU Men's and Women's Track and Cross-country teams competitive. This he is doing and hopes future teams will bring home individual and team honors to VU. One particular bright spot in this year's competition was the work of Terry Mitton who established a school record in the long jump with a jump of 25'4½" and took first place in the NJCA.

Women's Track

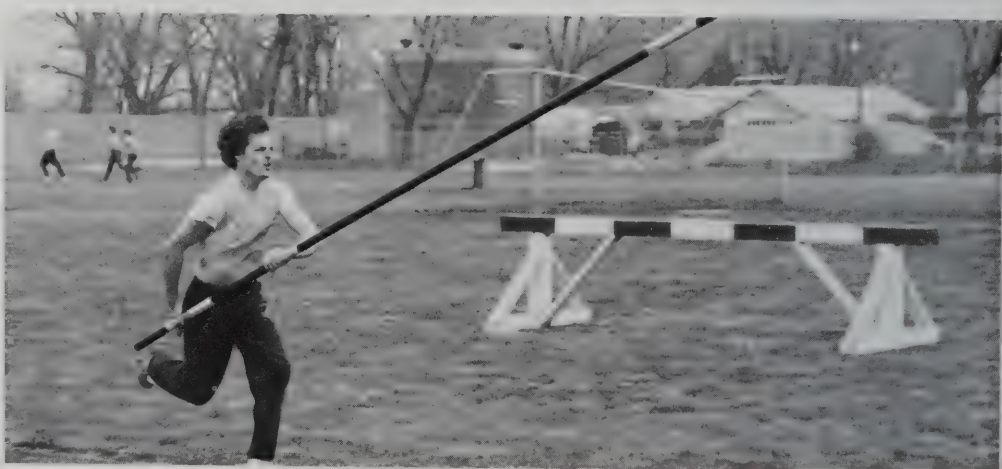

Vincennes University's first ever Women's Track team was organized this year. Two members of the team, Leslie Whitcomb and Kris Kimmel placed 14th and 15th in the Region 12 meet respectively and won the right to participate in the national competition. The team is coached by first-year coach Bill Smith.

Members of VU's first women's track team include From Left: Leslie Whitcomb, freshman from Howe; Kris Kimmel, freshman from Mitchell; Marjorie Gerhke, freshman from Jasper; and Ann Bennett of Vincennes. A fifth team member was not available at picture taking time — Beverly Bennett a senior from Vincennes.

Terry Mitton strains for that extra inch in the long jump, his specialty.

Gary Grogg and Jeff Gambill are going all out.

Pole vaulting — always an exciting event.

BASEBALL

The 1983 edition of the Vincennes University Varsity Baseball team included many veteran players which delighted Head Coach Jerry Blemker as he began his third year at VU. After the pre-season play in Florida, the team built its 6-5 record to finish the season with a 34-16 year.

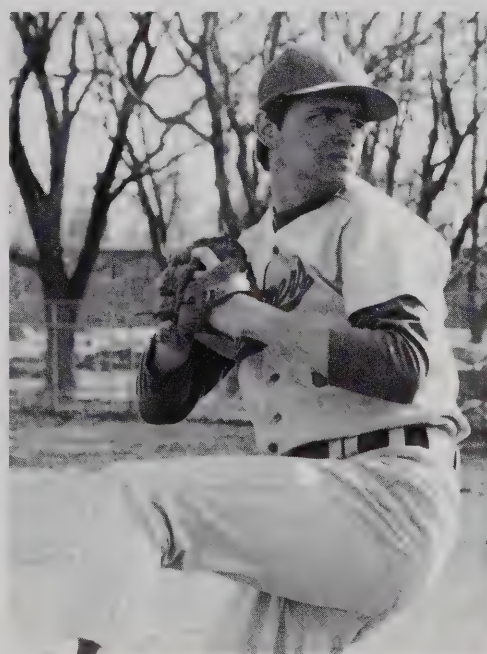

Jim Sayffarth awaits the pitch.

Infielder Aaron Pettiford is ready for anything hit his way.

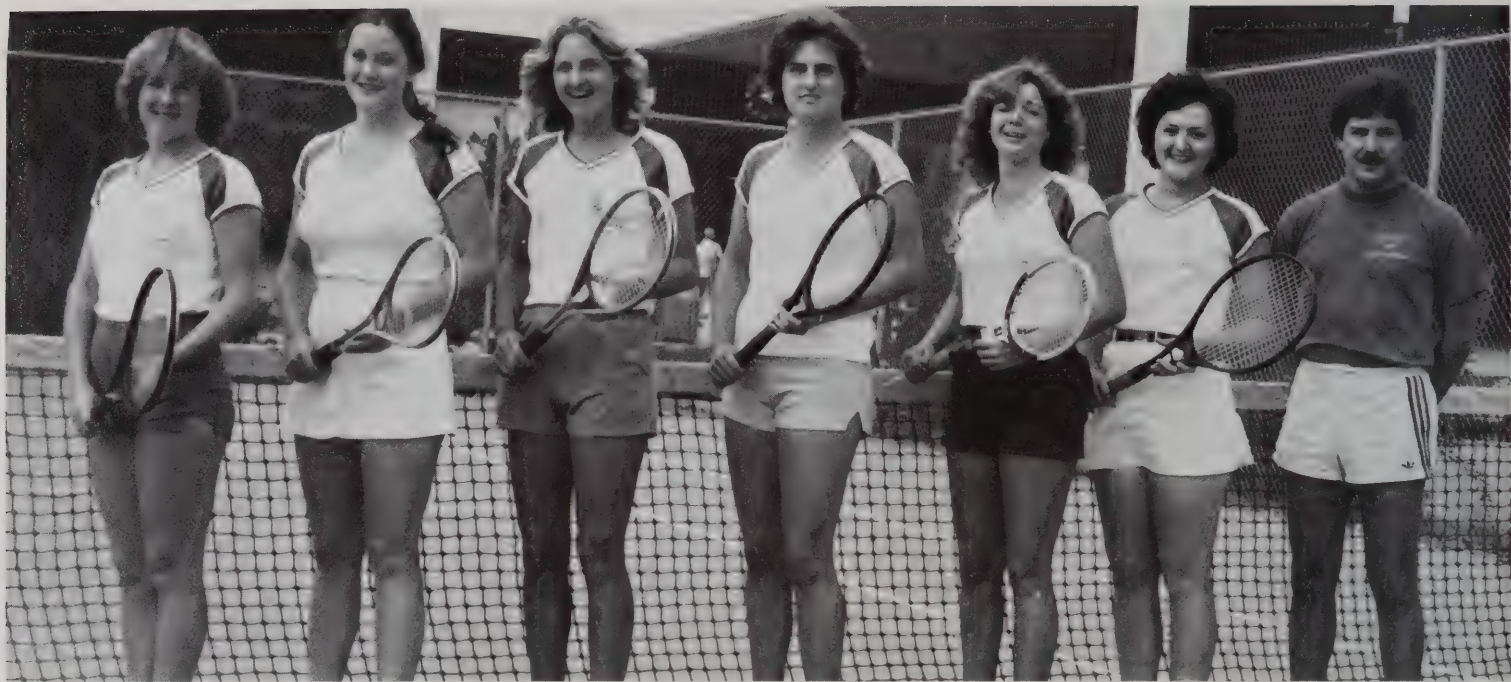

Pitcher Greg Fix begins his pitch from the stretch position.

Shown in the team picture above are: Front Row, From Left to Right: Lindsae Frick, Steve Konkle, Jim Seyffarth, Dean Jones, David Johnson, Rob Durham, and Arthur Eli. Second Row: Greg Fix, Gary Jackson, Joe Firaneck, Tom Meshberger, Cris Forrest, Greg Cash. Third Row: Rick Rinnert, Mike Englehart, Brian Wisser, Aaron Pettiford, Todd Cobbs, David Brannon, and Rick Wright. Back Row: Gary Mitchell, Assistant Coach; Steve Moss, Kevin Riley, Greg Newlin, Greg Johnson, Bob Beck, and Head Coach Jerry Blemker.

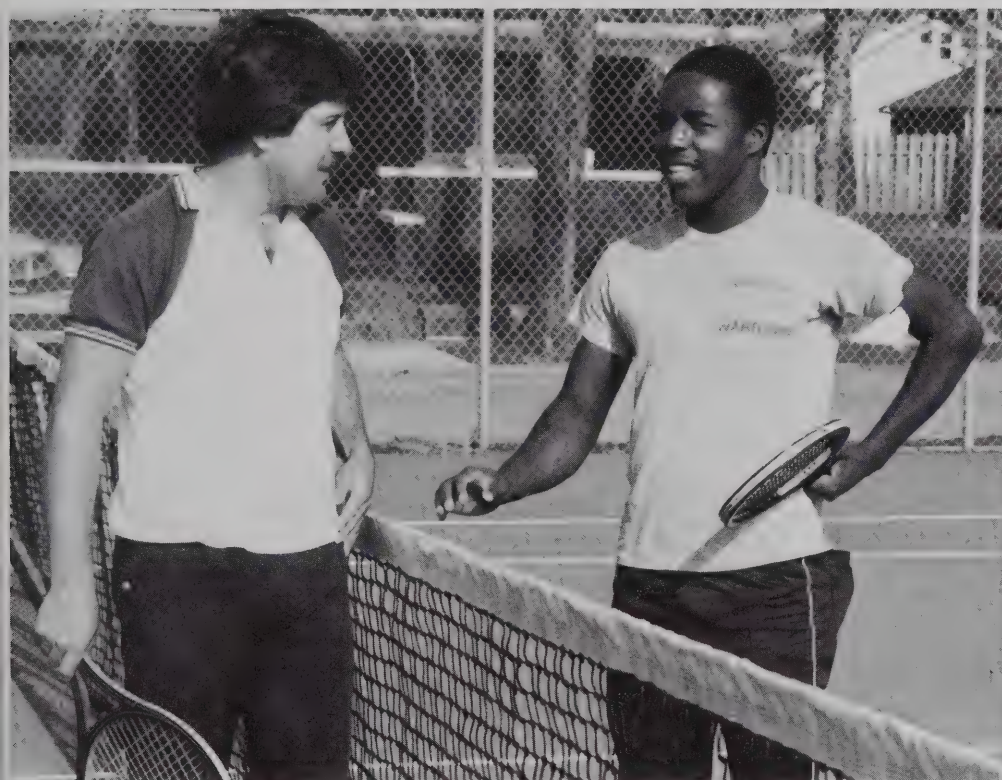

TENNIS

The women team members and their hometowns are: From Left: Terry Byrer, Loogootee; Lisa Wolfe, Vincennes; Debbie Floyd, Vincennes; Karen McCormick, Boonville; Michelle Merritt, Speedway; and Nanette Grumieaux, Vincennes. Jennifer Jackson of Vincennes was not present.

The men team members are: From Left: Tony Hackett, John Whitehead, Tim Flick, Kevin Miller, Jeff Hartnagel, Mike Crull, and Coach Ron Albers.

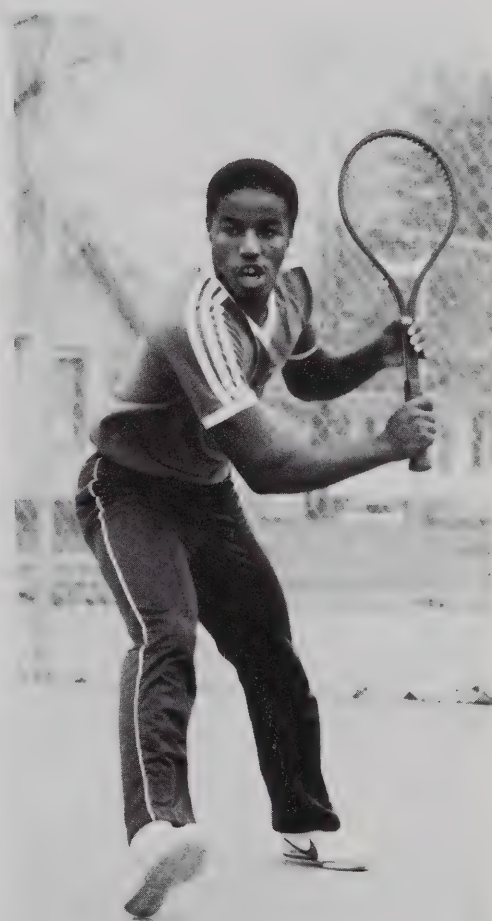

The Women's Tennis Team completed a highly successful season by winning 10 matches and losing only 4. Coach Ron Albers was able to utilize seniors and talented freshmen during the Fall campaign.

The Men's Team signal that spring is in the air and a good spring for VU Men's tennis it was! The 23-11 netters featured several freshmen and one senior.

Coach Albers imparts friendly advice to key player, John Whitehead.

Ready for the classic forehand return.

John Whitehead sets himself to make a backhand return.

GRADUATION

1983

1,343 students made up the class of 1983. Graduation ceremonies were held before a standing-room-only crowd in the Physical Education Complex on April 30, 1983. Fifty year diplomas were presented to the class of 1933. Honorary degrees were conferred upon United States Senator Richard Lugar and Dr. Donald Gentry.

President Phillip Summers tells the crowd of Senator Lugar's many contributions to the field of education.

Tony Lechner, Student Senate President, presents a gift to Senator Lugar on the behalf of the student body.

Students show expressions of joy and relief as they receive their diplomas.

Nursing students patiently await their turn.

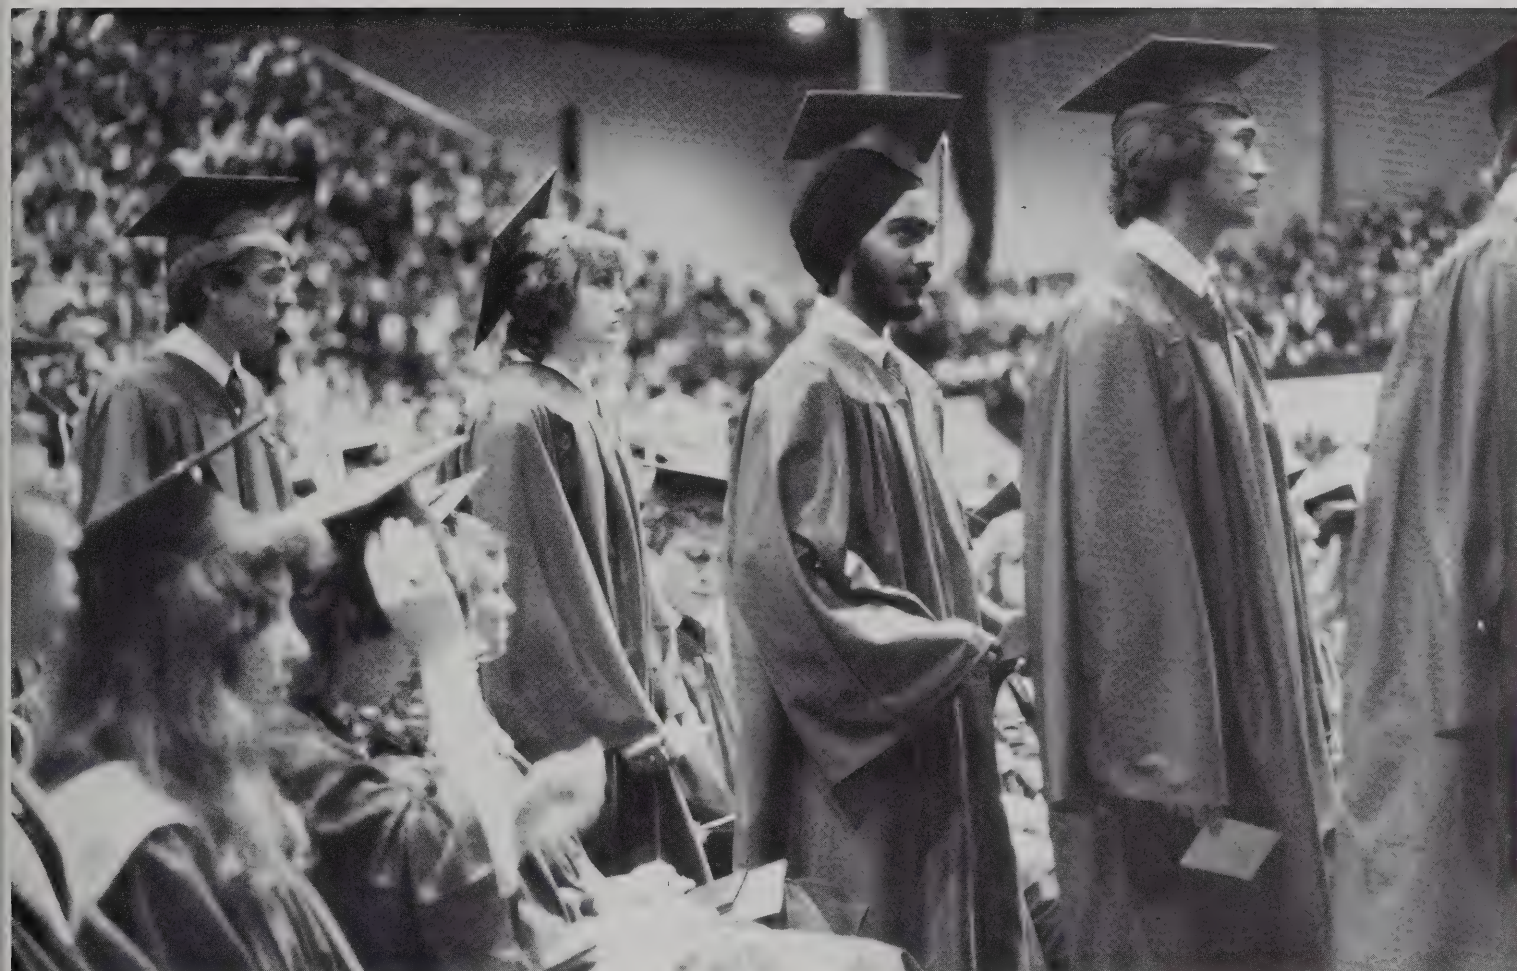

A student from the Middle East combines his native headdress with the mortar board.

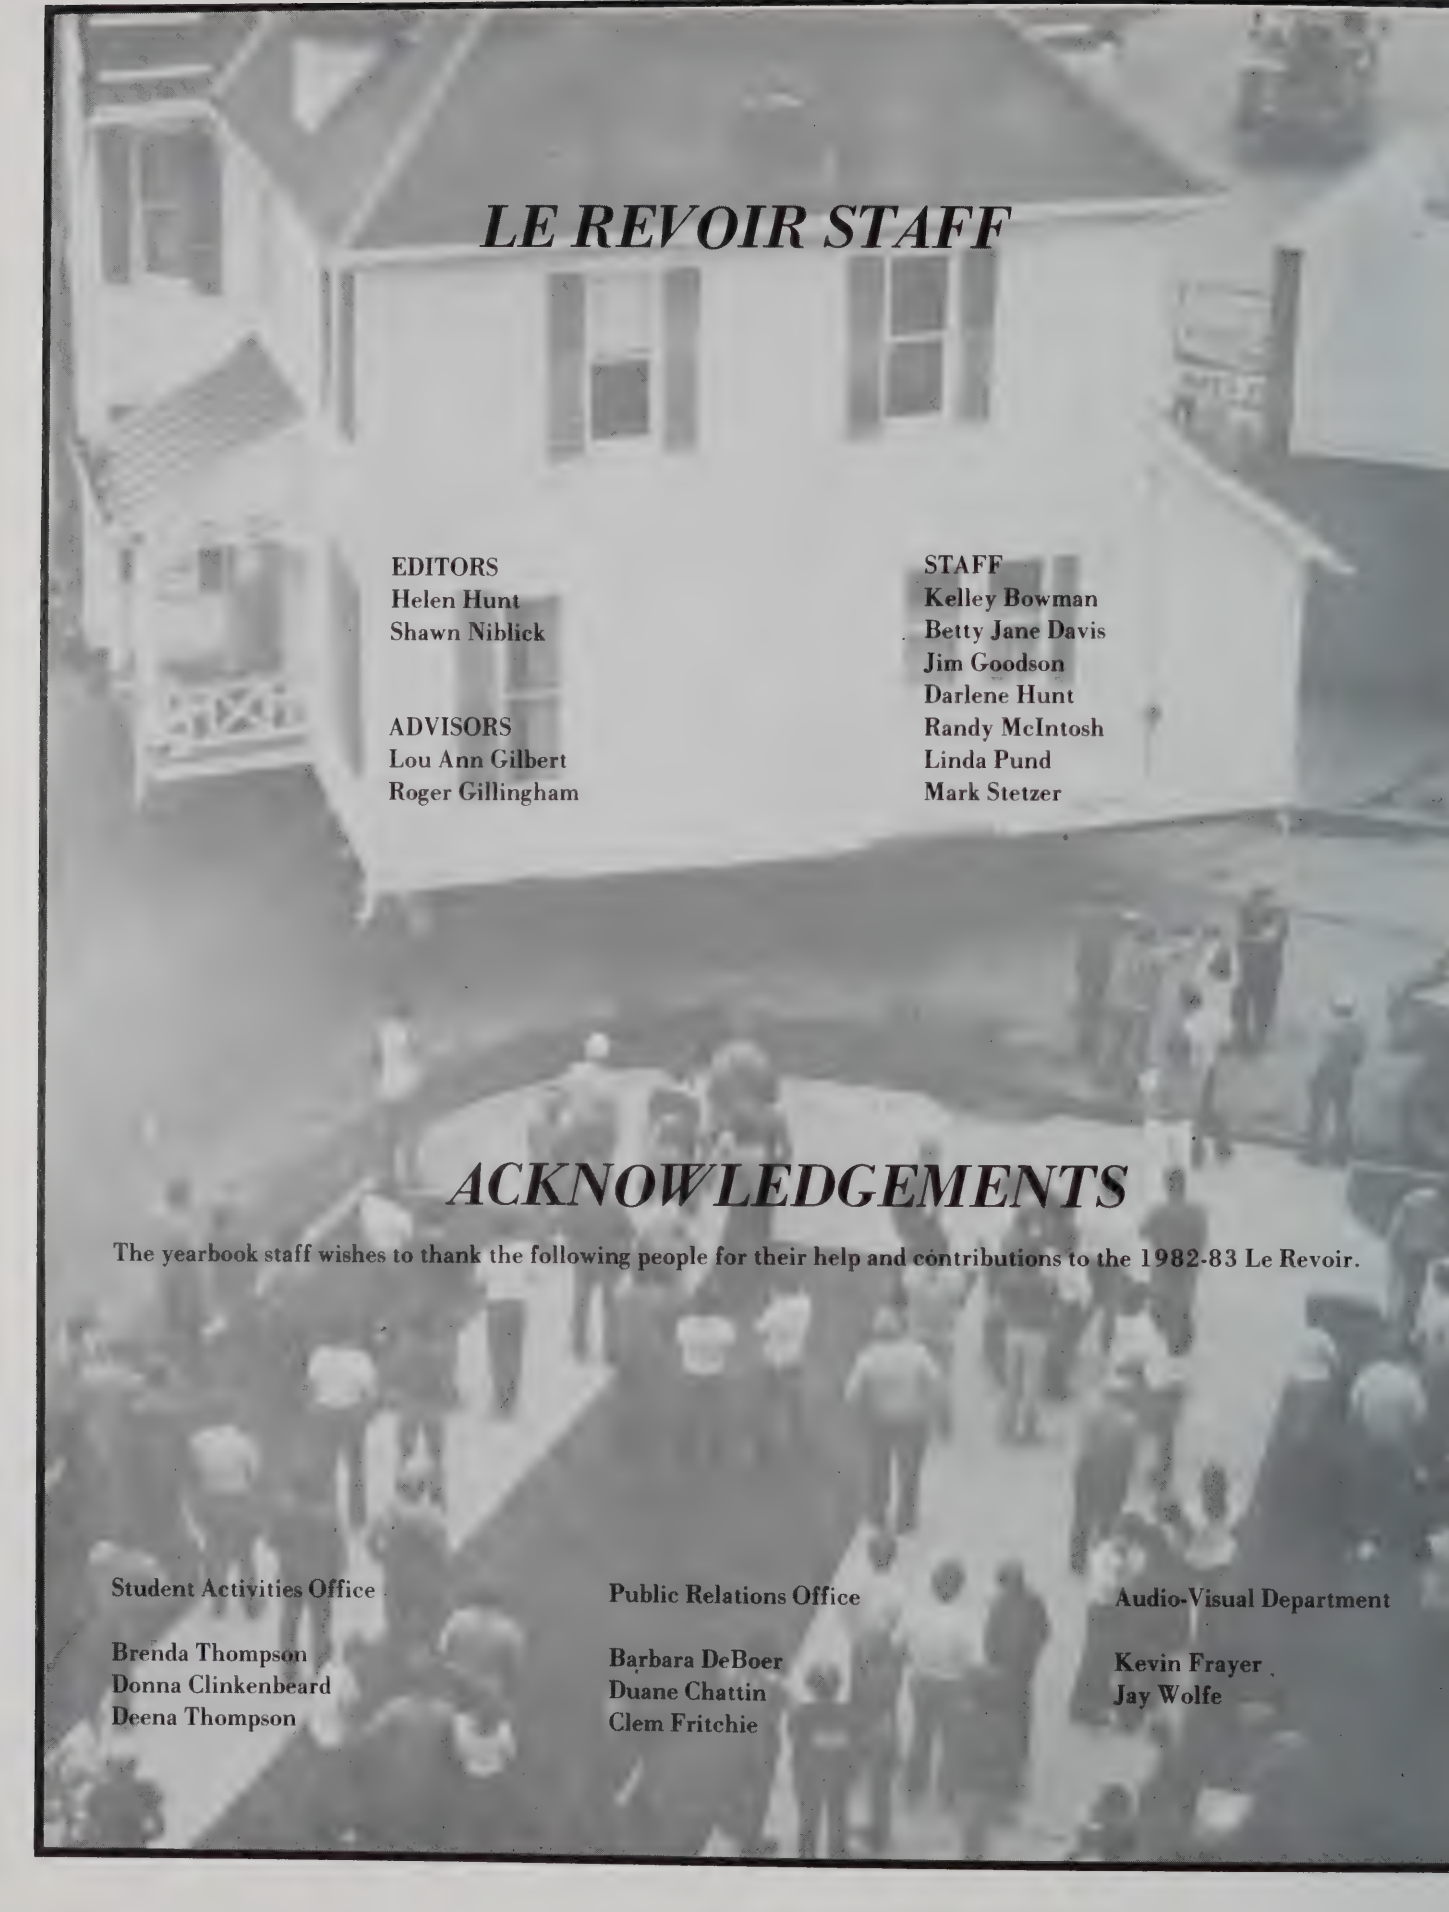

The hot and crowded atmosphere of the Physical Education Complex made the ceremony seem a little long.

The Class of 1933 has several members who have awards from the university. Dr. Isaac K. Beckes, president emeritus and director of the Foundation at Vincennes University is a recipient of the Walter A. Davis Memorial Citation for his outstanding service to the community. Joseph Riley and Wyant Baker have received both the Walter A. Davis Memorial Citation and Faculty Citation. Arthur Hart was given the Faculty Citation for outstanding achievement in his professional career and contributions to the community.
